

The Pali version of this famous text, consisting of 423 verses organized into memorable themes. It is the most widely read of the early texts, and has been translated many times into many languages. Versions are found in Chinese, Tibetan, and several Indic languages, attesting to its timeless, universal appeal.

*The wisdom of the Buddha has been preserved in a vast ocean of ancient texts. SuttaCentral offers fresh translations of these texts in the world's languages. Setting aside the boundaries of language and tradition, we let the Buddha speak for himself.*
